## **BADMINTON ENGLAND GOLD, SILVER & BRONZE CIRCUIT & GRADING – 2009-10**

### **JUNIOR TOURNAMENT CIRCUIT**

Competitors are reminded that the closing date for entries is at least three weeks before the start of a tournament.

Latest information and entry forms to National, BE Gold, Silver and Bronze tournaments can be found on the BADMINTON England website under Young People and Schools:  
<http://www.badmintonengland.co.uk>

#### **Circuit Playing Format:**

The preliminary round of the singles and level doubles in all circuit tournaments will be played in groups. The group size will depend on the size of entry. For Gold events the average size group will be three, for Silver events the average size should be four and for Bronze events the **minimum** group size will be four. Group winners **only** qualify for the knock-out stages. Mixed doubles will normally be knock-out format.

In some areas of the country (in particular at Under 13), there are insufficient entries to support separate Silver and Bronze Events. For this reason in 2009-10 where a silver and bronze tournament are planned for the same day, if the entry in some disciplines is such that it will not be viable to run separate events, the Tournament Referees may at their discretion combine Silver and Bronze entries in some or all disciplines.

If this happens in the singles events, the entry will be drawn so as to ensure that the grade 2 players are spread equally throughout the draw. The winners of each group will then play off for silver medals and the second in each group will play off for consolation bronze medals.

For future grading and ranking purposes those playing off for silver medals will be treated as if they were playing a silver tournament and those in the consolation play-off will be treated as bronze. Ranking points for group matches will be allocated as if the event was a bronze event.

#### **BE Gold**

These tournaments are run by BADMINTON England or by Counties on behalf of BE. Any grade of player may enter these events. Valid entries received from all Grade 1 players within their own age group will be given priority over all other graded players. When the entry is over-subscribed, entries will be restricted by the seeding committee using the criteria given below. Average anticipated entry will be 70 singles players. Games will be best of 3 to 21 rally points, extended to 30 if necessary. All disciplines will be seeded by the seeding committee. All Gold Tournaments will be two day events with the Semi-finals and Finals at least being played on the Sunday.

#### **BE Silver**

These tournaments are run on behalf of BADMINTON England by County BAs. Any grade of player (except for Grade 1 players from within the age group), may enter these events. Valid entries received from all Grade 2 players within their own age group will be given priority over all other graded players (average anticipated entry will be 80 singles players). Games will be the best of 3 to 15 rally points, extended to 21 if necessary. Events will be seeded by the tournament's seeding group, using the latest ranking lists.

#### **BE Bronze**

These tournaments are run on behalf of BADMINTON England by County BAs. Grade 1 and 2 players from within the age group are not permitted to enter these events. Where the entry to an event is over-subscribed, entries will be restricted by the tournament's seeding group using a

mixture of criteria (see below). Valid entries received from all Grade 3 players within their own age group will be given priority over ungraded players (average anticipated entry will be 80 singles players). Games will be 1 game to 21 rally points. This is extended to 30 points in the knock-out rounds only.

**NB:**

1. **When** playing in the age group above, graded players (unless their name appears on the older age group lists), will be regarded as one grade lower than that in their own age group (e.g. U13 grade 1 becomes U15 grade 2 becomes U17 Grade 3).
2. **Silver and Bronze** tournaments will normally be run on one day, consisting of singles and level doubles only. All events must be played to their conclusion on that day. Please see individual event information on entry form to confirm date/s of tournament.

**U11 SINGLES and DOUBLES EVENTS:** All Under 11 tournaments are un-graded and will only include singles and level doubles. The initial rounds of these events will be played in groups, the size of which being as large as the entry will permit (Minimum group size should be 4). Each match will be the best of 3 games to 11 rally points, extended to 15 if necessary.

**Restricting entry to oversubscribed Circuit Tournaments:**

Where entries need to be restricted, the following criteria will be used:

- I. Late entries will be declined.
- II. Grade of Player
- III. Known form. Where appropriate ranking positions using the ranking lists (see below) will be used.
- IV. Age. If the above three do not provide a clear list of withdrawals, those borderline players who fall outside the age group will be omitted first.
- V. In Bronze Events, at the discretion of the Tournament Committee, preference may be given to the more local players.

NB. The ranking list used for seeding and restricting a tournament entry will be the one as published on the website when the tournament's entry closes.

**Grading Information:**

**Players are graded on their singles record only.** The purpose of the grading structure is to provide players with a guide as to the appropriate level of play for their ability enabling them, together with their coaches and parents, to plan a structured Tournament Programme. A player of any ability may enter a Gold Event, Grade 2 and below may enter Silver Events and Grade 3 and un-graded players Bronze events.

**Grade 1**

- S&Y Board Grading Committee will select players for this grade using the grading lists, using grading lists from the 2008/9 season and end of season results.
- Our aim is to have at least 24 players in this grade (both sexes), at the start of the season.
- Notification of players selected for this grade will be posted on the website and sent by letter or e-mail to those for whom we have personal details, by the end of July.
- Grade 1 players entering a Gold Event in their own age group will given priority over all other grades in such events (valid entry permitting).

- If at the closing date a Grade 1 player is entered for a Silver or Bronze event in their own age group their entry will be rejected.
- Grade 1 players may enter a Silver Event in the age group above their own providing that they have not qualified as a Grade 1 player in this age group as well.

### Grade 2

- S&Y Board Grading Committee will select players for this grade using the grading lists, the end of season rankings and the results of the 2008/9 season.
- Our aim is to have at least 32 players in this grade (both sexes), at the start of the season.
- Notification of players selected for this grade will be posted on the website in July.
- Players in this grade can enter any BE Gold or Silver tournament in their own age group.
- Grade 2 players entering a Silver Event in their own age group will be given priority over all other grades in such events (valid entry permitting).
- Grade 2 players may enter a Bronze Event in the age group above their own providing that they have not qualified as a Grade 2 player in this age group as well.

### Grade 3

- S&Y Board Grading Committee will select players for this grade using the grading lists, the end of season rankings and the results of the 2008/9 season.
- The number of players in this grade at the start of the season will vary significantly between sexes and age groups.
- Notification of players selected for this grade will be posted on the website in July.
- Grade 3 players entering a Bronze Event in their own age group will be given priority over ungraded players in such events (valid entry permitting).
- Players in this grade may enter any circuit tournament.

The grade of a player is adjusted down a grade when playing up an age group. i.e. a Grade 1 will become a Grade 2 player.

**NB:** Any player not listed as Grade 1, 2 or 3 is advised to play in a Bronze event in order to establish a grade.

**Upgrading:** The upgrading process can be found on the website and on event programmes. Players will **only** be upgraded on the following dates throughout the season: October 23<sup>rd</sup> 2009, December 18<sup>th</sup> 2009, February 26<sup>th</sup> 2010 and July 23<sup>rd</sup> 2010. The lists will be placed on the website by the Wednesday in the week following the above dates. Players may appeal against their grading within 14 days of the upgrade date, by writing to: Anna Gilbert, Competition and Events Co-ordinator, BADMINTON England, National Badminton Centre, Milton Keynes, MK8 9LA.

### Age Groups

Players are eligible to compete in age group tournaments if they were born on or after the 1<sup>st</sup> January:

Under 19	1991	Under 18	1992	Under 17	1993
Under 16	1994	Under 15	1995	Under 14	1996
Under 13	1997	Under 12	1998	Under 11	1999

BADMINTON England will be adjusting the grading process to link with the ranking list for the start of the 2010/11 season. We will be publishing details for consideration during the year and would welcome your comments on proposals as they are published. Some parents will be selected at random and asked for their comments.

### **National Age Group Championships – Qualification Regulations**

To qualify for these Championships players must be willing and eligible to play for England.

**NB. A player is ineligible to play for England if they have represented another country in the last 3 years.**

Entries for the English National Under 19 Championships will only be considered from players who, during the current season, have played in a minimum of three Under 19, or senior domestic open tournaments from BADMINTON England's Tournament Players' Diary held on or before 31<sup>st</sup> January 2010, of which at least two must be Under 19 tournaments.

Entries for the English National Under 17 Championships will only be considered from players who during the current season have played in a minimum of three BADMINTON England Sanctioned Under 17 tournaments, held on or before 1<sup>st</sup> March 2010.

Entries for the English National Under 15 Championships will only be considered from players who during the current season have played in a minimum of three BADMINTON England Sanctioned Under 15 tournaments, held on or before 21<sup>st</sup> February 2010.

Entries for the English National Under 13 Championships will only be considered from players who during the current season have played in a minimum of three BADMINTON England Sanctioned Under 13 tournaments, held on or before 7<sup>th</sup> March 2010.

Entries for the English National Under 11 Championships will only be considered from players who during the current season have played in a minimum of three BADMINTON England Sanctioned Under 11 or 13 tournaments, held on or before 27<sup>th</sup> February 2010.

**NB:** Gold, Silver or Bronze tournaments and other BADMINTON England sanctioned tournaments are acceptable as qualification for the National Championships. These events are all listed in the Tournament Players' Diary and on the BE website calendar. Invitation, bonanzas, restricted and foreign tournaments cannot be included as qualifying tournaments.

A player entering two English National Age Group Championships must during the season have fulfilled the qualification requirements for their own age group, and played in one tournament in the higher age group.

In exceptional circumstances, the qualification requirements **may be waived** on application **IN WRITING** from the player, or player's parent/guardian/coach. Full details of the reason for the application should be sent to Anna Gilbert in the BADMINTON England Competition and Events Team, prior to the closing date of the Championships ([anna gilbert@badmintonengland.co.uk](mailto:anna gilbert@badmintonengland.co.uk)). The decision of the Head of Competition and Events will be final in respect of such requests.
